Local Address

240 Vollmer Pkwy
Rochester, NY 14623

Permanent Address

16 Rocky Brook Drive
Huntington, MA 01050

Objective

To work for a company specializing in website development with strong focus on ASP.NET development.

Education

Rochester Institute of Technology, Rochester, NY | Cumulative G.P.A. - 3.69

Expected: May 2010

- Major: New Media Interactive Development

Related Project Work

Grants Office, LLC Search Function – As a Co-op for the Grants Office I developed a more efficient method for members and staff to search a database of grants. Utilizing MSSQL's Full Text Search results increased by an average of 500 grants.

AJSteglinski .com – My Portfolio – recoded with ASP.NET from Flash my portfolio uses C# classes and code-behind to communicate with a SQL Server 2008 database and display each section, thumbnails and individual items. AJAX is used to make viewing items faster and more efficient.

Skills

Programming Languages: Action Script 2.0/3.0, PHP, HTML, CSS, SQL, XML, XHTML, XSLT, JavaScript, ASP.NET 3.0, C#, Visual Basic, jQuery

Operating Systems: Mac OSX, Windows XP/Vista/7

Software: Photoshop CS4/CS3, Illustrator CS4/CS3, Dreamweaver CS4/CS3, Microsoft Office, Flash CS4/CS3, Visual Studio 2005/2008, SQL Server 2005/2008
